

4 more reliability and less stress

Hosting 4 Less

The Program for Affiliates

4 more reliability and less stress

Overview

- What is the Affiliate Program?
- How does the program work?
- How do you make money?

4 more reliability and less stress

The Affiliate Program

- The affiliate program at Hosting 4 Less pays you for web hosting sales on hosting4less.com.
- It allows you or a business to bring potential customers to Hosting 4 Less' website, and receive commission on their order.

4 more reliability and less stress

How the Program Works

1. Register on ShareASale Website
2. Get enablement material from the ShareASale / Hosting 4 Less affiliate portal
3. Market Hosting 4 Less from your website using the enablement material
4. A visitor to your website clicks on a link which goes to hosting4less.com
5. You log into the portal at ShareASale to monitor your sales
6. Hosting 4 Less will report and pay you for qualifying sales 60 days later
7. ShareASale then issues payments to you

4 more reliability and less stress

How do you make money?

- Commission: \$50
- Commission paid on web hosting referrals
- Commission rate is "locked" 60 days from the sale date

4 more reliability and less stress

How do you make money?

- Must be a registered member of ShareAsale
- One self-referral order commission is allowed, if you order from yourself via an affiliate link
